

Propane Vehicle and Mower Rebate Rules and Regulations

WHO AND WHAT IS ELIGIBLE? Rebates are available to propane customers who reside in Ohio for eligible purchases on a new propane vehicle, new vehicle conversions or a new propane lawn mower. Propane companies and their employees are eligible to receive rebates.

WHAT VEHICLES ARE ELIGIBLE? All propane vehicles/mowers and conversion systems must be approved by US EPA.

- ◆ New OEM propane vehicles.
- ◆ New propane conversion vehicles (current model year or previous model year with less than 15,000 miles.)
- ◆ New propane OEM lawn mower.
- ◆ New propane converted mower (less than 250 hours).

All federal and state incentives must be applied prior to receiving rebate funds, and the funds may be used for the incremental cost of propane. These rebate funds should be considered “matching funds” when applying for other grants or funding in conjunction with this rebate. There is a limit of five rebates issued to any single entity.

WHEN DOES THE PROGRAM BEGIN AND END? The rebate program ends December 31, 2020, or when program funds are exhausted. The payment of a rebate under the program or this agreement is subject to available funds. If available funds run out during the program year, OPGA may elect to carry over applications until the next program year. All eligible purchases must occur during the rebate program.

Completed and approved applications should have a rebate check issued within 60-90 days after the application is received at the OPGA office, subject to available funds. No applicant has a legal right or other entitlement to receive rebates under the program or this agreement. A completed application does not bind OPGA to approve or pay a rebate to any applicant.

An applicant or propane marketer may be suspended from, or declared ineligible to participate in the rebate program if the OPGA determines that the applicant or propane marketer has submitted false information or otherwise violated program terms and conditions. Within 30 days after OPGA suspends or declares an applicant or propane marketer ineligible, the applicant or propane marketer may appeal the action by submitting the appeal in writing to OPGA. Actions taken by OPGA with respect to the appeal will be final. An applicant or propane marketer who submits false information pertinent to a rebate is subject to criminal and civil penalties including U.S. Mail fraud.
