Other (please specify):

ON A SCALE OF 1 TO 10, RATE YOUR LEVEL OF CONCERN FOR THE FOLLOWING ITEMS RELATED TO THE OPERATION OF YOUR PROPANE AUTOGAS DISPENSER AT A PUBLIC REFUELING SITE?

(select below with 1 being not concerned and 10 being very concerned)

Credit card security:

1 2 3 4 5 6 7 8 9 10

Distance from your customers:

1 2 3 4 5 6 7 8 9 10

Monitoring the propane supply in your dispenser tank:

1 2 3 4 5 6 7 8 9 10

Posting the price per gallon:

1 2 3 4 5 6 7 8 9 10

Safety of the dispenser:

1 2 3 4 5 6 7 8 9 10

Training of those using the autogas dispenser:

1 2 3 4 5 6 7 8 9 10

PROPANE AUTOGAS DISPENSER REBATE APPLICATION

\$4,000 REBATE PER DISPENSER

This project is funded by the Ohio Propane Education and Research Council (OPERC) and managed by the OPGA.

Rebate Preapproval No.

WHO AND WHAT IS ELIGIBLE? Rebates are available to entities in the state of Ohio that install an autogas (over-the-road propane motor fuel) refueling dispenser and provide public access to the refueling site. The autogas refueling site must be built to comply with all local codes and standards. The autogas refueling site must include quick connect nozzles. The OPGA will award one (1) incentive rebate in the amount of \$4,000.00 per refueling site.

WHAT DO I HAVE TO PROVIDE TO RECEIVE THE REBATE FUNDS? Simply complete the required research survey, the applicant information below, and submit your site plan for this new autogas refueling infrastructure site to OPGA before the program ends or funds are exhausted. Please note that your refueling site will be added to the OPGA's map of refueling sites accessible to the public.

WHEN DOES THE PROGRAM BEGIN AND END? The rebate program ends December 31, 2022, or when program funds are exhausted. The payment of a rebate under the program or this agreement is subject to available funds. If available funds run out during the program year, OPGA may elect to carry over applications until the next program year. All eligible purchases or retrofit installations must occur during the rebate program.

Completed and approved applications should have a rebate check issued within 60-90 days after the application is received at the OPGA office, subject to available funds. No applicant has a legal right or other entitlement to receive rebates under the program or this agreement. A completed application does not bind OPGA to approve or pay a rebate to any applicant.

An applicant or propane marketer may be suspended from or declared ineligible to participate in the rebate program if the OPGA determines that the applicant or propane marketer has submitted false information or otherwise violated program terms and conditions. Within 30 days after OPGA suspends or declares an applicant or propane marketer ineligible, the applicant or propane marketer may appeal the action by submitting the appeal in writing to OPGA. Actions taken by OPGA with respect to the appeal will be final. An applicant or propane marketer who submits false information pertinent to a rebate is subject to criminal and civil penalties including U.S. Mail fraud.
